Anglers Comments:

Photo Requirements

Attach to your completed form two photos of your fish.

Photo one: Angler proudly displaying fish.

Photo two: Profile of fish laid out on a flat surface. The Tournament Registration Card and the tape measure must be clearly visible in the picture.

Signature _____

By signing the fish registration form, the angler attests to the accuracy of all information given.

Anglers may submit a completed **Fish Registration Form** along with attached photos at most Official Registration Sites or by mail to the following address. Anglers may also submit fish online using the **E-Fish Registration Form** found at the tournament website **www.mainestriperseptember.com**. It's easy, just complete the required fields and upload your photos right from your home computer.
